

## Directions for Use

**Ossetra Gentle Cleanser:** Gentle cleanser containing seaweed extract and essential oils for maximum cleansing efficiency of surface makeup and buildup on skin surface. Indicated for all skin types, it does not alter the integrity of the natural skin layer and maintains the skins natural pH level. Apply with circular motions on the face and neck and remove with cotton pad. Follow with Iceberg Mist.

**Ossetra Iceberg Mist:** Containing iceberg water which is the purest water and closest to the pH level of your skin. This Mist will refresh and remove any particles left behind from the cleansing procedure. Alcohol free, the toner has a very soft texture that softens, refreshes and has immediate comfort after application with no tightness. Apply with cotton pad. For larger cabine size bottle, Estheticians can mist directly on face as often as necessary. Excellent refresher for those who travel frequently.

**Ossetra Instant Exfoliant:** The non-aggressive exfoliant contains pumice that gently exfoliates the coetaneous layer of the skin to reveal a brighter softer skin layer. Use a small amount of exfoliant in a circular motion on face, neck and décolleté area. Rinse thoroughly and gently pat with cotton pad or lightly spritz with Ossetra Cabine Iceberg Mist. Use one or twice a week to leave skin soft and smooth.

**Ossetra Anti-Oxidant Creme:** Ossetra Day cream contains the purest anti-oxidants to combat signs of aging. The day cream revitalizes, nourishes the skin and makes it supple, bringing back radiance and luminosity. For skin that shows the first signs of aging (fine lines, lack of elasticity, tired and dull complexions). Apply with gentle motion on clean skin as often as needed on face, neck and décolleté.

**Ossetra Seaweed Serum:** Ossetra Seaweed Serum provides the skin with an intensive lifting and firming effect. It boost's the skin's respiratory potential which improves the oxygen consumption used by cells to help give dull, asphyxiated complexions brightness and radiance. Use on clean face, neck, and eye contour area. Apply morning and/or evening. Follow with Ossetra Caviar Creme or our Anti-oxidant Creme.

**Ossetra Pristine Masque:** Ossetra Masque contains seaweed extract, moor mud and essential oils for optimum absorption which tones and refreshes atonic, flabby and tired skin. Most effective on normal and oily skin types. Cleans efficiently and gives the skin a tightening effect. Apply approximately one teaspoon of Pristine Masque, leave on for 15-20 minutes and remove with a warm wet sponge or towel. Can be used as often as desired, avoid contact with eyes and mucous membranes.

**Ossetra Caviar Creme:** Our moisturizing, energy filled Caviar Creme combines caviar, vitamins, omega three fatty acids and anti free radicals creating an ideal protective support diminishing the signs of aging with every use. Makes an excellent makeup base, smooth a small amount of Caviar Creme in an upward direction on the face, neck and décolleté every morning and evening after the cleansing process.
